

## DAY SAIL

The tall ship R.Tucker Thompson sails the Bay of Islands daily and is a fantastic way to experience the Bay with the added bonus of being on a working tall ship.

You can get involved and help sail the ship or relax in the sun while cruising along enjoying the stunning scenery – the choice is yours!

If you fancy adventure, the crew will show you how to sail the ship, or if you feel like a real challenge, ride the bowsprit or climb the rigging.

The ship will stopover in a bay at lunch for swimming, beach and island walks. We'll serve you a tasty BBQ lunch on board (vegetarian option available) before we set sail back through the many Islands back to Russell. With the wind behind us this is one of the most environmentally friendly ways to see the Bay and you can be sure your carbon footprint is minimal.

## WHAT TO BRING

Sun block, hat, swimming costume and towel and warm jacket in case of cool breeze.

## LATE AFTERNOON CRUISE

The perfect way to start your evening! During your two hour trip you will explore the beautiful and tranquil waters of the inner harbour and soak up the stunning views of Waitangi, Okaito and the port of Opuā.

Your sail is as interactive as you choose – help sail the ship, ride the bowsprit and climb the rigging or sit back, relax and enjoy a drink & delicious finger food, while experiencing the magic of tall ship sailing. Cash bar available on board.
