VOYAGE SAFETY

The R. Tucker Thompson Sail Training Trust endeavours to ensure that all voyages are safe for those involved. Participation in a voyage, however, will involve both physical efforts on the part of the Sail Trainee and potentially exposure to greater than usual risk.

The Trust attempts to minimize these risks by being a responsible and professional organization with high standards of safety and discipline when on a voyage. For this reason, Trainees must agree to abide the safety and instructions given to them and be able to meet the minimum fitness and health requirements sent out by the Trust. By signing this form you, and your parents or caregivers agree:

1. To accept the risks inherent with any voyage
2. To comply with the safety standards and directions given to you while on board
3. That the Trust, its servants and agents (whether negligent or not) shall not be responsible for any injury, accident, loss, damage or expense suffered by you on the voyage.

PRIVACY ACT AND MEDICAL INFORMATION

The information collected by the R. Tucker Thompson Sail Training Trust in this application is used for the purposes of assessing your suitability for the nominated voyage, for the administration of the voyage and for statistical purposes. The information will also be used to send you further information about the voyage and the Trust's activities.

It may be necessary for the Trust's staff to discuss your medical history with your doctor either before you are accepted for a voyage or subsequently. By signing this form and the form attached to the medical, you and your parents or caregivers consent to do this.
